I recommend you purchase the following title from The Bardwell Press:

## SEXUALITY IN FRANCE PRACTICES, GENDER & HEALTH

Edited by Nathalie Bajos (INSERM, Paris) & Michel Bozon (INED, Paris)

This book provides detailed information on and analysis of the changing practices in sexual relations for all sections of French society. It offers an authoritative account of age and gender differences that influence sexual behaviour and attitudes, and a comprehensive discussion of issues relating to heterosexual and homosexual practices, sexual dysfunction, and the dichotomy between emotions and sexual desires in the representation of sexuality.
